

Program Overview:

This program will be utilized to assist businesses during difficult and challenging times related to economic downturns associated with local and nationwide crisis. Applicants are asked to complete the attached application for potential financial assistance.

Average grant awards of \$3,000 (Three Thousand Dollars) in the form of a grant to for profit businesses located within the city of Rochester and operating in a commercial facility. Eligible funding can be towards working capital uses that will assist in continuing business operations and retaining employees, including: Rent, mortgage, payroll, insurance, utility expenses, inventory and other similarly related short-term debt and operating expenses necessary to continue operations.

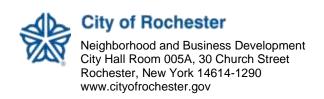

Grant funding from this program cannot provide a duplication of funding for the same items if applicants apply to the SBA's Paycheck Protection Program (SBA PPP). City of Rochester Disclosure

The Program for which you are applying may be part of one or more City of Rochester (hereinafter the "City"), federal, state, or other programs, including, but not limited to, the Community Development Block Grant (CDBG) Program, Emergency Solutions Grant (ESG) Program, HOME Investment Partnerships (HOME) Program, Housing Opportunities with Persons with AIDS (HOPWA) Program, Asset Control Area (ACA) Program, Rochester Economic Development Corporation (REDCO) or City Development Fund (CDF). Each of these programs has rules and regulations prohibiting conflicts of interest. Conflicts generally arise where the applicant or his or her family or business may have an economic or employment interest in the program or the entity providing the program.

Program regulations generally limit the participation of employees, agents, consultants, officers, or elected or appointed officials of the City or any designated public agencies, or sub-recipients receiving Program funds, and those with whom they have business or immediate family ties, during their tenure or for one year thereafter. For federally assisted housing and community development programs, this applies unless an exception is granted by the **U.S. Department of Housing and Urban Development (HUD)**. In order for HUD to grant an exception to such persons there must be a public disclosure of the application and the City's Corporation Counsel must determine that the participation does not violate state or local law.

The objective of this form is to identify applicants that may have a conflict under the rules and regulations. The City will then determine whether an exception should be granted or requested. The City's Department of Neighborhood and Business Development, Office of the Commissioner, is responsible for conflict of interest determinations and the coordination of the exception process for federally assisted housing and community development programs.
